John H. Strider, vs. John C. Brown—judgment against the defendant for the sum of \$303.56, with interest from October 1st, 1859, till paid, and for costs.

Court adjourned till 10 o'clock to-day.

In yesterday's report, in the case of Dixon vs. Williams, the judgment was rendered against defendant instead of plaintiff, as was stated.

**THE BURNING OF THE "OCTAGON HOUSE."**  
—ARREST. &c.—The burning of the "Octagon House" (so styled from its construction) on the Leesburg Turnpike, about one mile from this city, was noticed in yesterday's Gazette.

The fire occurred at about one o'clock, but as there was no alarm given here, was not generally known until after the issue of our paper, and was then generally supposed to have been accidental.

Upon enquiry and investigation, however, suspicion was aroused, and the police being soon on the alert, in the course of the evening arrested Mr. John Miller of Philadelphia—known to many of our citizens as having been connected with the Provost Marshal's office here during the war—on the charge of having fired the building. M. was taken before Mayor Latham and Justice Beach, who upon hearing the testimony concluded that the evidence, though circumstantial, was sufficient to warrant a full investigation, and therefore committed Miller to jail to await an examination before the County Court.

The evidence was to the effect that Miller was seen at and near the house, just before the flames were discovered, and that he had been there the day before, having on both occasions driven out in a buggy from this city.

C. E. Stuart, counsel for the accused, has made application to Judge Thomas, for a writ of habeas corpus, for the purpose of giving bail, and the case is to be heard this evening, in the Circuit Court.

**ALEXANDRIA.**—The National Intelligencer says: "We were informed a day or two since, by a merchant of Alexandria, of a conversation had by him with two gentlemen of the North, who, as they said, attracted by an article in the Intelligencer concerning the resources of Alexandria, had spent a day or two examining the locality, with its contributing resources by river, canal, and railroads extending into the interior. The result of their investigations and reflections was, that they should build two factories there—one for the manufacture of an article of husbandry, and another for that of a species of wollen goods. Already we have heard of the late establishment of one or more wholesale houses at that point, which are represented by our friends at Alexandria as doing a handsome business." We are sincerely glad to see this statement, and trust it may prove to be well founded.

**THE BROOM FACTORY—SPLENDID BROOMS.**—A Broom Factory has been established in this city, by Mr. H. Eric Smith, our worthy young townsman, and we hope it will be liberally patronized. We have seen a specimen of the brooms turned out from the new establishment, which for beauty of finish and strength of material, compare most favorably with any work of the sort ever brought to this market. Let our people encourage and build up manufactures in our midst and all will feel the good effects. The Factory is at No. 44, King street, and we hope to see it prosper abundantly.

**A PRESENT.**—Several members of the congregation of the M. E. Church, in this place, presented to the pastor of the church, Rev. J. R. Wheeler, on Tuesday night, a beautiful album, filled with pictures, as a testimony of their respect and esteem for him. The presentation speech was made by Mr. Lorenzo Harmon, and it was responded to, in an appropriate manner by the reverend gentleman, who was the recipient of the gift.

**PRINCE GEORGE'S COUNTY MD.**—The fall term of the Circuit Court for this county, commenced at Marlboro, last Monday. There are some 12 or 15 criminal cases to be tried—most of them petty thefts.

**THANKSGIVING.**—Next Thursday, the 29th inst., is the day recommended to be set apart for thanksgiving. It will be observed by all our citizens, and business be suspended on the occasion.

**FRESH PORK** begins to come in freely from the country, and was sold to-day at 9, 93, and 10 cts.

**WASHINGTON ITEMS.**—The Horse Fair and Races over the National Course went on yesterday, and were to be continued to-day.

Several hundred buildings of different kinds are in process of erection in this city.

The stakes of \$300 a side, put up in this city on the fight between Carr and White, were last evening handed over to the latter, and nearly all of the money bet on the result had been paid over. It is stated that an effort will be made to get up a fight between Rashe Bolster and White.

The President was attacked with a chill while returning from Baltimore and received no visitors that evening. He was better yesterday, and had an interview with Secretary Seward and others. There were a great many callers at the White House, as usual.

A number of pick-pockets gathered at Baltimore on the occasion of the Masonic celebration, where they no doubt expected to reap a harvest. Among the victims of these pests of society was Mr. George Spedden, of Washington, who was relieved of about \$123 and his watch.

**POLICE REPORT—MAYOR'S OFFICE.**—E. Solomon, of Washington, arrested for selling here without a license, was brought before the Mayor, but it appearing that he was only filling a private order, for an article not made here, he was discharged, with an admonition.

**MAGISTRATES' OFFICE.**—On Sunday last, a search warrant was issued, at the instance of Mr. Jas. A. English, by Justice Moore, for the recovery from R. M. McClure, at the City Hotel, of a lot of silver spoons and forks, said to be concealed at that place. The warrant was placed in the hands of constable Aubinoe, who proceeded to make the search and recovered the articles. The case was then dropped.

**PROCLAMATION.**  
TO THE PUBLIC GENERALLY.  
Whereas, Being armed and equipped with such a stock of READY-MADE CLOTHING as cannot fail to strike the beholder with bewildering amazement, and please the fancy of all;  
And Whereas, Having entered the field for the Fall and Winter Campaign of trade, I am determined to repulse, if not entirely vanquish, the great system of monstrous prices and murderous profits, which have settled upon our whole country like a mighty incubus, sinking the poor into deeper depths of poverty, and dragging down the affluent, and even driving many to distraction; and  
Whereas, I have taken unusual pains in the selection of my stock, and have purchased all at the lowest cash prices, which will enable me to accommodate any purchaser at the lowest cash prices.  
Therefore, I, CHAS. A. GLADKE, 119 King street, between Pitt and St. Asaph, do hereby issue this, my proclamation, to dispose of my new stock, upon such terms as must give entire satisfaction.  
Who would I have this, the 26th day of October, A. D. 1866, and of the Independence of the United States of America the ninetieth year, placed my hand and caused the great seal to be affixed.
